

UniServity cLc User Events Medway - 28 April 2009

Theme: Collaboration with the cLc Learning Platform: By Learners, For Learners, With Learners

9:00 - 9:15	Welcome, Introductions and Event Overview	
9:15 - 10:00	<p>Using cLc Collaborative Projects to support Curriculum Planning, Collaboration and Assessment</p> <p>By learning alongside others, sharing experience, contributing towards collective knowledge and discussing our learning with peers, we develop a more thorough understanding of the area that we are learning about. This session introduces you to the latest cLc Collaborative Projects available. You will be able to register for the projects on the day. <i>Fiona Aubrey-Smith - Head of Educational Development - UniServity</i></p>	
10:00 – 10:30	<p>Medway School Collaboration with the cLc</p> <p>This session introduces 2 Medway LA Collaborative Projects which are supported by the cLc Learning Platform.</p> <p>How Green is your School? Medway 2012 <i>Jon Sullivan / Moya Dean/ Andrew Webster - Medway LA Fiona Aubrey-Smith - UniServity</i></p>	<p>Using Quizzes for Formative Assessment</p> <p>This is a chargeable 2 ½ hour training session and available to a maximum of 12 attendees. 10.00 – 12.30. This session is led by a member of the UniServity team and focuses on quizzes through an introduction to the philosophy and principles behind formative and summative assessment. This is followed by examples of quizzes being used by schools all around the world to enhance learning experiences, practical hands-on training setting up a quiz, taking part in a quiz, and linking to methods of using the outcomes for formative assessment purposes. The session concludes with support to create and develop a practical action plan for the use of quizzes to support, extend and enhance learning within the specific and personalised setting of attendees own schools, with short, medium and long term application. Delegates will be given a resource pack containing supporting materials so that they can effectively mirror the content of this session back at school for colleagues. Laptops will be provided for use during this session. Refreshments will be available. You must pre-register for this session. After lunch, you can choose to join the afternoon 'free' session or register for the second chargeable session below.</p>

10.30 – 10.50		
10.50 -12:15	<p>Medway Schools cLc Showcase</p> <p>There is a wealth of expertise within schools today of how to use the cLc to enhance teaching and learning experiences. This session shares a few local exemplars from local schools to provide practical ideas for attendees. There will also be a Q & A session.</p>	
	12:15 – 1:00 Lunch	12.30 – 1:00 - Lunch
1:00 – 1.30	<p>Medway LA Update</p> <p>This Session provides an update on how the cLc Learning Platform has been rolled out across Medway LA and will share how Medway LA is supporting schools using the cLc.</p>	
	2.00 – 2.30	<p>Parental Engagement with the cLc</p> <p>We'll introduce you to some examples of how the cLc is already supporting Parental Engagement</p>
	2.30 – 3.00	<p>cLc How To?</p> <p>To date there have been 11 Regional cLc User Events in the 2008/9 Academic Year. At each event attendees have been asked on arrival which one thing they would like to know 'how to do' with the cLc that they can implement at their school. You will have the opportunity to submit your own questions. Members of the UniServity team will answer your questions and show you the wealth of 'How to' answers available on cLc success.com. This will be a useful session to pick up new things with the cLc that can be used by new and established cLc users and for learners of all ages.</p>
	<p>Wikis for Assessment for Learning</p> <p>This is a chargeable 2 ½ hour training session and available to a maximum of 12 attendees. 1.00 – 3.30pm. This session is led by a member of the UniServity team and focuses on wikis through an introduction to the philosophy and principles of how these can support formative and summative assessment. This is followed by examples of wikis being used by schools all around the world to enhance learning experiences, practical hands-on training setting up a wiki, taking part in a wiki, using the wiki and using the outcomes for formative assessment purposes. The session concludes with support to create and develop a practical action plan for the use of wikis to support, extend and enhance learning within the specific and personalised setting of attendees own schools, with short, medium and long term application. Delegates will be given a resource pack containing supporting materials so that they can effectively mirror the content of this session back at school for colleagues. Laptops will be provided for use during this session. Refreshments will be available. You must pre-register for this session. In the morning you can attend the 'free' session or register for the chargeable <i>Using Quizzes for Formative Assessment</i> session.</p> <p>This session finishes at 3.30</p>
