

# UniServity's new 'cLc 4 Parents' Parental Reporting and Engagement Solutions

Empower parents to take a more dynamic involvement in their child's learning *and* improve learning at your school.

## Transform how parents' engage and support their child's progression at school

UniServity's affordable 'cLc 4 Parents' Parental Reporting and Engagement solutions will transform how parents at your school access, engage and support their child's learning journey. The intuitive and personalised interface provides parents with safe, anytime anywhere access to valuable information about their child's attendance, attainment, behaviour and progression at school.

## Save Teachers and Administrators time with streamlined reporting tools

Teachers and administrators will benefit from a comprehensive suite of fully customisable tools and features to support teaching, streamlined reporting and administration with the ability to create an online dialogue with parents and other important stakeholders.

## A low-cost solution to meet the Government's Online Reporting Guidelines

Meet and exceed the Government's Online Parental Reporting guidelines for Secondary Schools by 2010 and Primary Schools by 2012. UniServity has developed 'cLc 4 Parents' as natural and powerful extensions to our core cLc (connected Learning communities) Learning Platform. The cLc Learning Platform is already being used in over 2,500 schools in England and in 21 countries around the world, helping to transform, support and improve learning; and providing new extended opportunities for learning and professional development opportunities.
